WILCOX & GIBBS SEWING MACHINE.

We would call attention to the following facts in connection with this Machine, which renders it superior to any other in use:

It forms a flat elastic seam which *will not rip in wear;*

It is entirely noiseless;

A patented device prevents its being turned backward;

The needle cannot be set wrong;

Can be used successfully without other instructions than accompany the Machine;

FRIDAY MORNING, DECEMBER [illegible] 1864

News of To Day

We have details of General [illegible] operations on the Charleston [illegible] time since [illegible] great success and [illegible] great gust, but [illegible] as he announces this own [illegible] from the road

We have more particulars [illegible] man winding up with his own [illegible] nouncing his safe arrival at [illegible] the Savannah river after [illegible] of Savannah and capture of Fort McAllister He declares his march to have been [illegible] posed He destroyed over two hundred miles of railroad and helped himself to the fat of the land without even being troubled with guerillas captured any number of horses mules and cattle, and over 7000 able bodied negroes He closes with the remark that he considers Savannah as already gained

Congress has passed an act creating the position of Vice Admiral of the navy which is intended to offset the rank of Lieutenant General in the army, and it is supposed that Farragut will receive the appointment

Interesting particulars are given of a famous scout, named Wm I Waterbury, who has caused us much trouble, being an accomplished spy but who has finally been mortally wounded in an encounter with our men

Maximilian lays a claim to the British [illegible] of Honduras as a portion of his empire and all we have to do in the matter is to wait and see how the Mexican eagle manages with his claws in the mane of the British lion.

STATE OF THE COLUMBIA RIVER.—Mr James M Moore, of Oregon City, just down from the Dalles gives us the following particulars of his journey down Last Saturday evening the river froze over at the Dalles On Sunday morning the *Oneonta* broke her way down the river about six miles, where the passengers went [illegible] on Monday morning by wagons to get on board There were probably about 70 passengers on board the *Oneonta* on Monday morning when she started at about 8 o clock, her bows having been [illegible] planked heavily to enable her to cut the ice unharmed The boat proceeded slowly and with difficulty succeeded in going down the river some six miles, when the plank was cut away and as the ice was cutting the bows of the boat, she was compelled to lay up

Here 43 of the passengers took to the shore to foot it down the river while the boat steamed back to the Dalles with the remainder There was quite a covering of snow and ice on the trail, and the walking was bad Mr Moore went [illegible] miles that night to Hood river, over the rough mountain trail, from whence the same night 8 men took passage in a skiff for the Cascades in places where the river was frozen the ice being broken by poles The wind blew heavily and the water dashed over them and froze where it fell They arrived at the Cascades on the next morning after a hard time when they took the trail again on the other side of the Columbia river after being nearly dragged over the falls by the wind and ice Coming to Vancouver part of the way on foot and part by wagons here they are very [illegible] impressed with the winter scenery of the mountains, and the roughness of the trail

DALLES ITEMS.—From the *Mountaineer* we learn that the O S N Co's steamer *Dalles*, loaded with lumber came up to Craig's Point four miles below the town where she was compelled to stop by the ice She received some injury which was not apparent and was found sunk in the succeeding evening

Twenty men enlisted at Canyon City had started for the Dalles, which shows well for Capt. Borland's talent for recruiting

Thomas & Co will run a line of stages from the Dalles to Walla Walla until the river opens in the spring The first one started last Tuesday We hope to thus receive regularly our mail and express matter

The grand jury of Wasco county have found a large number of indictments and were still at work on the 20th December,

New diggings have been discovered about 25 miles from Canyon City, a little east of north, prospecting well in coarse gold

Krolick has been found guilty on one indictment and was being tried on the third

Wells, Fargo & Co's messenger, Mr Mills, had his foot badly frozen going to Canyon City

The heavy weight of the *Mountaineer* accuses us of stealing items from him to day for the first time in a long while we find anything to steal and we have friends in Dalles who send us items without our calling on that paper It is going to become torpid and go into winter quarters which we would advise as, after really giving us a tolerable readable paper on Tuesday we don't suppose it has another [illegible] left

IDAHO ITEMS.—The Legislature of Idaho Territory have located the capital of that growing and important Territory at Boise City certainly the most proper place for it as being the center of the great mining region of Boise and Owyhee and situated on the rich valley land of the Boise river

Reports have been made in the House concerning the memorial upon the all exciting [illegible] one favoring Portland and the other favoring the Dalles [illegible]

The memorial favoring the re-division of Idaho has been defeated in the Council

The Walla Walla *Statesman* says Thomas & Co's sleighs have been making the trip for a week past as far as Bender [illegible] Grand Ronde Valley The whole upper end of the valley is covered with from six to ten inches [illegible] this side the snow [illegible] half way down the mountains

The gold yield from the [illegible] Basin is said to have been $14,000 for the first week's run of the mill

The Overland Stage [illegible] arriving passengers from [illegible] count of snow on the [illegible] mountains

COLORADO.—By the late [illegible] do we learn that the mines are [illegible] and that capitalists are purchasing [illegible] mining ground for the inauguration [illegible] nent and legitimate business [illegible] of ore are being taken out of the [illegible] on the Colorado river

FOR EAGLE CREEK.—Mr Amos [illegible] of Walla Walla has just had delivered to him the machinery from the Monnastes Foundry all the machinery engines gearing etc for a quartz mill to be erected in the vicinity of Grand Ronde valley on Eagle Creek

By Overland Telegraph.

MEETING OF THE COMMON COUNCIL.—The regular weekly meeting of the Common Council was held at the Council Chamber at seven o'clock last evening.

Mayor Failing occupied the Chair.

The following members were present—Councilmen Bennett, Cook, Gradon, Frazar, Hoffman, Starr.

The minutes of the previous meeting were read by the Clerk and approved by the Council.

Petition of Joseph Hunt for a license to retail spirituous liquors was granted.

A communication from Joseph Webber proprietor of the [illegible] house corner of Stark and First streets, stating that he had been to great expense in fitting up his place, and was unable to pay the excessive license, was [illegible]. The petitioner asks that the license be reduced to $[illegible] per month and that he be relieved from taxation during the months of January and February customs, else the validity of the ordinance will be tested, under legal advice that it is unauthorized by law.

Mr. Starr moved to lay the communication on the table, which carried.

The committee on ways and means reported an ordinance relative to the levying of a general tax which was referred to the Judiciary committee after the second reading.

Claims of A. G. Walling $12, and James Wilson $[illegible] were laid upon the table.

An Ordinance defining the duties and fixing the compensation of the City Attorney, was read a first time. The ordinance defines in detail the duties of the City Attorney; provides that no writs of review, or appeal shall be taken in cases wherein judgment has been rendered against the city, unless on report to the Mayor and Common Council authority is granted for them.

Mr. Frazar asked if, ordinances defining the duties of city officers under the new charter was necessary? Mayor decided affirmatively.

Mr. Gradon moved to fill the blank in the ordinance, relating to the salary of the City Attorney, with "one thousand dollars" per annum. The motion was carried—ayes [illegible], nays [illegible]; whereupon the Mayor read section 28 of the charter, requiring members to vote upon questions.

Mr. Starr moved to refer the ordinance to the Judiciary committee, which was carried.

Mr. Frazar submitted an ordinance to tax dogs, restrain them from running at large, etc.; requiring the owners to provide collars of leather or metal, stamped to correspond with licenses furnished by the City Treasurer, for each dog taxed; the tax is required to be paid quarterly, and all dogs found running at large contrary to the provisions of the ordinance, are to meet with summary extinction, which is farther provided. The ordinance passed the first reading and was referred to the committee on health and police.

Mr. Starr submitted an ordinance which provides for the working of persons sentenced to imprisonment, on the streets or public works of the city, which passed the second reading and was referred to the committee on health and police.

On motion of Mr. Frazar the Council proceeded to elect a member to fill the vacancy occasioned by the resignation of Mr. Hargreen, which resulted in the selection of L. J. Northrup, Esq.

On motion of Mr. Frazar all papers before the Council relating to city surveys were referred to the committee on streets and public property.

On motion Council adjourned.

BENEFITS OF THE FAIR.—The Fair lately held for the purpose of aiding the funds of the Christian Commission, has succeeded in realizing the most sanguine expectations of the friends of the cause, and in repaying the ladies of Portland for the toil and trouble they have so earnestly devoted to this enterprise. It seems to have been a united effort of ladies representing every religious denomination, in which each one strove to accomplish something in aid of a noble cause. The lunches and supper tables were abundantly supplied, not only with the best of substantials, but also with the choicest delicacies that were found in private stores. Probably we will be furnished with a statement in full of the different receipts and expenditures, and so will only now say that the total receipts mount up to about $1,800, and as most of the services were donated, including the efficient help rendered by the cooks, as well as the supplies being furnished by private liberality, there is a probability that the net receipts will amount to a very handsome figure, highly creditable to the management, and efficient services of the ladies of Portland, to whom the credit belongs. And while the utmost praise should be accorded all, we unfortunately are not able to particularize the many who deserve honorable mention. Tuesday evening, the throng who were assembled listened to most excellent music discoursed by the "old folks," whose quaint, old fashioned costumes and ways were as attractive as their harmony was perfect, which is saying a great deal. Then Miss Lester added to the attractions of the evening by her readings, including "Maud Muller," "All quiet on the Potomac to-night," "Widow Bedott," and other pieces. On Wednesday evening the great attraction was the New England Kitchen, under charge of the Lady President, Mrs. Holbrook, as good mother. We could not see it, but we hear that *Ezriler* was droll enough, and the rosy cheeked girl from "way down East," that *Zeke* went sparking, secured immense applause. The Fair is over, and very many wearied ladies are glad of it, while they cannot but be satisfied with what they have accomplished.

NAVIGATION.—The steamer *Wilson G. Hunt* will make an effort to reach the Cascades to-day. There will be no passengers on board of her, but should a connection with the *Oneonta* be made at the Cascades, passengers will be ticketed to-morrow for Dalles City. It cannot very well be expected, however, as the passengers who arrived last evening report that the weather was freezing cold 25 miles below the Cascades as they passed. Capt. Turnbull made another successful run to Vancouver yesterday, which will be repeated to-day. There is no obstruction from ice below the mouth of the Willamette on the Columbia, but the *Rescue* and *John H. Couch* report severe storms on the river.

ARRIVAL OF THE EXPRESS FROM WALLA WALLA.—Last evening, Messrs. Cann, Edgar and Austin, Messengers of Wells, Fargo & Co's Express, arrived from the Dalles, which place they left on Tuesday morning. Mr. Cann arrived at the Dalles with one of Geo. Thomas & Co's coaches on Sunday, and brings to this city letters and papers of late date from Walla Walla. The party report having a very pleasant trip of it, and bring about $60,000 in treasure, besides forty or fifty pounds of letters, &c. Their animals stood the jaunt very well, for traveling on sleet and ice. The party, or a portion of them, return by the *Hunt* to-day.

NOT TRANSFERABLE.—In the hurry and rush of business for the past few days, we have almost neglected a handsome little card of invitation from the ladies of the Hebrew Benevolent Association, asking our presence at their first annual ball to be given on Tuesday evening next, at Turn Verein Hall, in this city. The delicate words at the bottom, "not transferable" implies that we should accept, and we assure the ladies that we shall endeavor to do so.

FOR ASTORIA.—The steamer *John H. Couch* arrived from Astoria yesterday. The barks *Sam. Merritt* and *Helen W. Almy* are reported to have sailed on Tuesday. The barkentine *Jane A. Falkenberg* with a cargo from San Francisco, and the schooner *Alfred Crosby*, with coal from Nanaimo, were in the river, but the prevailing bad weather prevented the *Couch* from taking either in tow.

THE NEW COURT HOUSE.—The Board of County Commissioners give notice that proposals will be received until the 8th of March next for the building of the new Court House on the block set apart in this city. Plans and specifications may be seen at the office of the County Clerk. The building will be the finest in Oregon.

FELL OVERBOARD.—Richard Bowater, a gay soldier belonging to Capt. Powell's company, while sauntering around on the Pioneer wharf, yesterday afternoon about four o'clock, accidentally stepped off and was precipitated a distance of about *forty* feet into the river, when he swam to the hawser of a boat and helped himself out.

SANITARY RAFFLE.—An Indian tobacco pouch presented to the State Sanitary Fair by [illegible] [illegible] of Warm Springs, and a silver watch donated by John Davenport of Marion county, are to be raffled at the [illegible] Saloon in this city, the proceeds to go in aid of the Sanitary cause.

"A Slight Cold," Coughs.—Few are aware of the importance of checking a Cough or "Slight Cold" in its first stage; that which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. "*Brown's Bronchial Troches*" give sure and almost immediate relief. *Military Officers and Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.*

REDINGTON & CO., San Francisco, Agents for the Pacific Coast.

Le Doyen's Sarsaparilla, Yellow Dock and Iodine Alteratives the only remedy for invigorating a debilitated and broken down constitution.—Persons of scrofulous habit, suffering from impure blood, nervous trembling, impaired digestion, liver disease, lost appetite, should give this great blood purifier a trial. All [illegible] diseases, constitutional complaints and rheumatic affections are radically cured by a steady use of this medicine.

A Word to the Aged.—In the decline of life the loss of vital force consequent upon physical decay, can only be supplied by some vivifying preparation which recruits the strength and spirits, without entailing the exhaustion which is always the final effect of ordinary stimulants. We refer to the aged DR. HOSTETTER'S STOMACH BITTERS

As an invigorant and restorative, immediately beneficial in action and permanent in its effect. It tones the stomach, improves the appetite, and acts like a charm upon the spirits. For dyspepsia, oppression after eating, bilious cholic, wind cholic, spasms of the stomach, sick or nervous headache, chills and fever, tremors, prostration and all the complaints special to the feebler sex, the bitters are earnestly recommended by thousands who have witnessed their superior efficacy in such cases. Sold by all Druggists and dealers everywhere.

[PUBLISHED BY AUTHORITY.]

LAWS OF OREGON.

Acts passed at the Third Regular Session of the Legislative Assembly.

AN ACT to provide for the incorporation of Churches, and Religious, Benevolent, Literary and Charitable Societies.

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. That whenever any church, or religious, benevolent, literary or charitable society, shall desire to incorporate for the purpose of carrying out the objects of said church or society, they may do so in the manner provided in this act.

Sec. 2. Three or more of the officers or trustees of said church or society, which officers or trustees shall have been duly chosen, elected or appointed, in accordance with the usages and regulations of said church or society, shall make and subscribe written articles of incorporation, in triplicate, and acknowledge the same before some officer authorized to take the acknowledgment of deeds, and file one of such articles in the office of the Secretary of State, another in the clerk's office of the county where the church or society is located, and retain the third in the possession of the corporation.

Sec. 3. The articles of incorporation, or a certified copy of the one filed in the office of the Secretary of State, or county clerk, shall be evidence of the existence of such corporation.

Sec. 4. The articles of incorporation shall specify—1st. The name assumed by the corporation, and by which name it shall be known, and the duration of the same if limited. 2d. The place, business or pursuit of said incorporation. 3d. The estimated value of property and money possessed by said church or society at the time of making said articles of incorporation, and the sources of revenue or income. 4th. The title of the officers or trustees making such articles, and the mode and times of the election of their successors in office. 5th. The location of said church or society.

Sec. 5. Upon the making and filing of articles of incorporation as herein provided, the persons subscribing the same, and their successors in office, associates and assigns by the name assumed in such articles, shall thereafter be deemed a body corporate with power: 1. To sue and be sued.—2. To contract and be contracted with. 3. To have and use a corporate seal, and the same to change at pleasure. 4. To purchase, receive, possess and dispose of such real and personal property, as may be necessary or convenient to carry out the object of said corporation. 5. To make by-laws, not inconsistent with any existing law, for the government of its affairs, and the management of its property.

Sec. 6. The powers vested in such corporation are exercised by the corporators, and their successors in office. *Provided*, that said vested powers may be exercised by a majority of said corporators or successors, and any one of said corporators or successors may verify any pleading made by the corporation and required by law to be verified.

Sec. 7. No corporation formed under this act shall ever hold or possess property, including money and assets, amounting in value to more than five hundred thousand dollars, and any corporation violating this provision of this act shall forfeit its corporate rights.

Approved, October 24th, 1864.

AN ACT making appropriation to pay warrants in the hands of Hawthorne and Loryea.

Whereas, an appropriation of twenty thousand dollars was made at the session of the Legislative Assembly of 1862, for the safe keeping, care and medical treatment of the Insane and Idiotic under the care and management of Hawthorne and Loryea, contractors with the State; and whereas said appropriation having been exhausted some time since; and whereas the said Hawthorne and Loryea have on their hands warrants on the State treasury drawing ten per cent. interest, amounting to eighteen thousand, three hundred and sixty-two dollars and seven cents ($18,362 07); therefore—

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. That the sum of twenty thousand dollars be and the same is hereby appropriated, or as much thereof as may be necessary, for the payment of the foregoing warrants, with the accruing interest.

Sec. 2. Inasmuch as the amount above mentioned is due, and to save interest to the State, this act shall take effect and be in force from and after the twenty-fourth day of October, 1864.

Approved, October 15th, 1864.

HOSTETTER'S

CELEBRATED

STOMACH BITTERS.

THE OPERATION OF THIS PALATABLE REMEDY upon the stomach, liver and excretory organs is singularly soothing and conservative. It regulates, recruits and purifies them. Dyspepsia in all its forms yields to its control and invigorating properties.

Invigorate the System.

Vigorous digestion and pure bile produce nutritious blood, and nutritious blood a healthy frame. Does the victim of a dyspeptic stomach and a disordered liver desire to know how the digestion may be improved, the bile and other fluids of the body purified?

Dr. Hostetter's Stomach Bitters

Will accomplish this desirable revolution in the system, regulating the secretions and excretions, giving tone to the animal juices which dissolve the food, bracing their every relaxed nerve, muscle and fibre, and bringing the whole machinery of vitality into vigorous and healthful play.

Strengthen the System.

The best means of imparting vigor to the broken-down frame and shattered constitution, which has yet been invented or discovered, is proffered to the feeble of both sexes and all ages in

Dr. Hostetter's Stomach Bitters.

Debility, from whatever cause arising, may be cured; strength, in whatever manner it may have been wasted, may be restored by the use of this powerful and healthy invigorant. For indigestion and all its painful effects, bodily and mental, they are a positive specific.

A Word to the Aged!

In the decline of life, the loss of vital force consequent upon physical decay can only be safely supplied by some vivifying preparation which recruits the strength and spirits without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged

Dr. Hostetter's Stomach Bitters,

As an invigorant and restorative, none better is beneficial, action and preventive of its effects. It gives the stomach, improves the appetite, and acts like a charm upon the spirits.

For Females:

Thousands of ladies resort to it as a remedy for hysteria, fluttering of the heart, nervous headache, vertigo, general debility, and all peculiar disturbances and derangements to which, as a sex, they are subject. It cheers and enlivens the depressed mental powers, as well as strengthens the body, and its users never followed by any reaction.

Cure Your Cold, Save Your Lungs.

NEWELL'S

PULMONARY SYRUP

HAS

CURED THOUSANDS!

And it will Cure You!

"A Cough is generally the effect of a Cold, which has either been improperly treated or entirely neglected. When it proves obstinate there is

Always reason to fear the consequences,

as this shows a weak state of the lungs, and is often the forerunner of Consumption.—[Buchanan's Domestic Medicine.

STOP THAN COUGHING!

Some of you can't, and we pity you. You have tried every remedy but the one destined, by its intrinsic merit, to supersede all similar preparations. It is not surprising you should be reluctant to try something else after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but

NEWELL'S

Pulmonary Syrup!

Is really the VERY BEST remedy ever compounded for the cure of Coughs, Colds, Sore Throat, Asthma, Whooping Cough, Bronchitis and Consumption. Thousands of people in California and Oregon have been already benefited by its surprising curative powers.

WHAT KILLED HIM!

Dr. Hall, in his "Journal of Health," speaking of the death of Washington Irving, asks the above question, and adds: "He might have remained with us for some years to come, had it not been for advice, kindly intended, no doubt, but given in thoughtlessness and reckless ignorance.

He Had a Cold!

Which, by some injudicious prescription, had been converted into asthma." Let me say to Dr. Hall that that "prescription" was not

NEWELL'S PULMONARY SYRUP.

KEEP IT IN THE HOUSE, use it freely, give it to your children upon the slightest indications of a Cold, and you will think and speak of it as all do who have become acquainted with its merits.

A Greenback Case!

HAVING BEEN COMPELLED TO ACCEPT OF Legal Tender Notes at par since the [illegible] day of December, 1862, for the rent of my Fireproof Brick Store, corner of Morrison and Front streets, I feel compelled to announce for the benefit of the public at large that

Jacob Mayer

Leased the building of me on the 17th day of February, 1862, for a term of years, at which time there was no such currency in vogue, and it was understood the terms were CASH. Since that date I have received the depreciated currency regularly, under protest for the rent of the

CITY OF PARIS STORE,

Making less than two-fifths of the real amount said Mayer was to pay. He has secured the building at very advantageous rates, and even were he now to comply with his contract, and pay in COIN, would be getting the best bargain in the city. I make this statement to show the public what kind of a man he must be to take such undue advantage of the times to convert a few dollars to himself by LEGAL SWINDLING. The public can readily see what it costs to have such tenants. G. W. VAUGHN.

From the army hospital—the bloody battle-field—the mansion of the rich, and humble abode of the poor—from the office and the sacred desk—from the mountain top, distant valleys, and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands and thousands of letters like the following may be seen at our office:

* * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me. C. A. FLAUTE.

South Warsaw, O., July 28, 1863.

* * * I have a young son, who has been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $150 without benefit, has been cured by ten bottles of your Bitters.

EDWARD WOUNALL.

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH ST.,
New York, August 1, 1863.

DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * * Respectfully,

MRS. O. M. DEVOE.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use. Thy friend,

ASA CURRIN, Philadelphia, Pa."

* * * I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

Rev. J. S. CATHORN, Rochester, N. Y."

* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which is daily increasing with the guests of our house.

SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C."

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. ANDREWS,
Superintendent Soldiers Home, Cincinnati, O."

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY, Cleveland, O."

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway, N. Y.

etc., etc., etc., etc., etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon, is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the debilitated and shattered system. In fact, it stands unrivalled as a remedy for the permanent cure of the maladies above-mentioned, and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS.

And in every disease in any way connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once rebraced, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor.—The medicine reaches the CONSTITUTION itself, and restores it to its normal condition.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS, AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING, OR PAINFUL URINATING,
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT, AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give praise to

CONSTITUTION WATER.

Males or Females,

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Has been used with Great Success in Curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Boils, Scurvy, Chronic Diarrhœa, Chills, Scrofula, the Prostrating effects of Lead or Mercury,

GENERAL DEBILITY,

and all Diseases which require a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY ARE SO NUMEROUS, so well authenticated, and of such a peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

Certificate of Dr. Hayes.

It is well known that the Medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup, this desirable point is attained by combination in a way before unknown; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M. D., Assayer to the State of Massachusetts.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is the great cure for

HEART,

LIVER, KIDNEYS,

DIGESTIVE ORGANS and GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER.

without a solvent. This, considered impossible by the scientific world, is attested by the certificates of analysis from Dr. J. R. Chilton, Chemist, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals and it is recommended to practitioners. (See "American Medical Monthly," July 6, 1860, page 70.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, &c.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increasing the nutrition of the body, the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

ALLEN'S

LUNG BALSAM!

The Remedy for Curing

CONSUMPTION, COUGHS, COLDS,

Asthma, Croup,

Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction, even in the MOST CONFIRMED CASES OF CONSUMPTION! IT IS WARRANTED NOT to produce costiveness (which is the case with most remedies,) or affect the head, as it contains no Opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.

Sold by all Druggists. Price $1 per bottle.

LE DOYEN'S

SARSAPARILLA, YELLOW DOCK

—AND—

IODINE ALTERATIVE

FOR THE

CONSTITUTION.

CLEANSE THE BLOOD.

WITH corrupt, disordered or vitiated Blood you must be sick all over. It may burst out in pimples, or sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and repelling disease. Hence it rapidly cures a variety of complaints which are caused by impurities of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases.

Blood and Liver.

This valuable Medicine is now available to the public for the cure of

SCROFULA, CONSUMPTION, RHEUMATISM, CANCER, HEART, LIVER AND KIDNEY DISEASES, NEURALGIA, NERVOUS AFFECTIONS, BRONCHITIS, DYSPEPSIA, &c.

AS A TONIC,

Its operations are evinced by strengthening the digestive organs and increasing the appetite. In cases of Dyspepsia, Emaciation and Debility, an increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Are you sick, feeble and complaining? Are you out of order, with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping over you, and should be averted by a timely use of the right. Take Le Doyen's Sarsaparilla, and cleanse out the disordered system—purify the blood, and let the fluids move on unobstructed in health again.

AS A LITHONTRIPTIC,

it has no equal; being chemically combined with Iodine, it possesses in a high degree the power of dissolving Stone in the Bladder, and urators of the kidneys, preventing gravel formation and enlargement of the prostrate, irritation of the neck of the bladder, dropsy, etc.
